Institute of Medicine and National Research Council

Board on Children, Youth and Families

## **Workshop on Pediatric Health and Health Care Quality Measurement and Information Needs**

March 23, 2010

Venable Conference Center

Capitol Room

575 7<sup>th</sup> Street, NW

Washington, DC

### **WORKSHOP GOALS:**

- To highlight unmet measurement and information needs from a broad group of data users
- To gather information to support the development of a framework, a subset of measures, and a data system for child health and health care quality measures
- To illustrate innovative and exemplary data collection efforts to support the development of a framework for a comprehensive data support system

### **WORKSHOP ORGANIZATION:**

The workshop will be comprised of four sessions featuring speaker presentations followed by panel discussions (15 minutes per speaker presentation; 30 minutes for each panel discussion).

The panels are organized to hear the perspectives of four major stakeholder groups:

PANEL 1: Patients and Parents

PANEL 2: Providers

PANEL 3: Payers

PANEL 4: Policymakers
